

VACANT POST FOR PHD STUDENT

Applications are invited for a PhD Student to work in the field of Acid-Base Catalysis. The project will be funded by MOHE through Research University Grant. The posts are available immediately.

Send your :

- Complete CV
- List of publication in the scientific journal (if any)
- Certificates and transcripts (Master and Undergraduate)
- Results Slip of TOEFL/IELTS (for foreigner)
- Brief Research Proposal

to [sugeng\[at\]utm.my](mailto:sugeng[at]utm.my) or [sugengtw\[at\]gmail.com](mailto:sugengtw[at]gmail.com). If there is no respond from me within two weeks from the date of your email, it means you are unqualified for this position.
